SHARKS SPORTS & ENTERTAINMENT, CITY OF SAN JOSE AGREE TO LONG-TERM LEASE EXTENSION FOR SAP CENTER AT SAN JOSE

AGREEMENT KEEPS THE SHARKS IN SAN JOSE THROUGH 2050-51 NHL SEASON

Following a unanimous vote by San Jose City Council, Sharks Sports & Entertainment (SSE) and the City of San Jose announced on Tuesday, August 26, 2025 that an agreement has been reached to extend the San Jose Sharks lease at SAP Center at San Jose, allowing the team to remain in San Jose through the 2050-51 NHL season and ensuring that SAP Center remains a modern, world-class sports and entertainment facility for present and future residents throughout Silicon Valley and Northern California.

As part of the agreement, the City of San Jose and SSE will jointly invest more than a half billion dollars into the 32-year-old sports and entertainment venue, providing significant upgrades to the facility through a series of projects that began in the summer of 2025 and will continue over multiple years. The improvements will include deferred maintenance and infrastructure updates to SAP Center's elevators, restrooms, plumbing, Wi-Fi network, sound system, electrical, fire protection system, and emergency generators. Additionally, modernization plans for the main concourse, penthouse, and club levels will enhance the guest in-arena experience while changes at the arena level will update the sports and entertainment locker rooms providing a modernized experience for visiting entertainers, sports teams, and Sharks hockey.

Over the last decade, Sharks team owner **Hasso Plattner** has invested more than $100 million to maintain and upgrade the city-owned facility, despite having no obligation to do so. Notable improvements include a new center hung scoreboard and 360-degree LED ribbon board, a new ice-making plant, enhanced security systems, improved air flow ventilation and circulation, multiple updates to the food and beverage experience to ensure quicker transactions and shorter lines, a new premium experience dubbed the NetApp Celly Lounge, and many more.

"The Sharks have been proud to play in San Jose for the last 30+ years and look forward to another 25 more," said **Jonathan Becher**, President of Sharks Sports & Entertainment. "While we have consistently invested our own funds to maintain the city-owned SAP Center and intend to continue doing so, this partnership with the City of San Jose will bring much-needed renovations and improvements for arena guests, the teams, and performers."

SSE will continue to manage and operate SAP Center on behalf of the City of San Jose throughout the term of the agreement.

Since opening its doors in September 1993, SAP Center has proudly welcomed more than 50 million guests to more than 5,000 events, generating nearly $10 billion of economic benefit to downtown San Jose by filling hotel rooms and downtown restaurants and businesses.

Annually, the Sharks, SAP Center, and Sharks Ice at San Jose average approximately 2.5 million visitors to its venues, supporting 2,740 jobs and contributing nearly $300M million in economic impact to the City of San Jose.

"From their first face-off in 1991 to the roar of the Tank today, the Sharks have become a cornerstone of San José's identity," said Mayor **Matt Mahan**. "Together, we're investing over half a billion dollars to bring world-class amenities to SAP Center – cementing downtown as a premier hockey destination and world-class stage for headline acts."

SHARKS ANNOUNCE LEASE EXTENSION, SAP CENTER RENOVATION

Keeping the Sharks in San Jose also reinforces the Sharks commitment in making a positive impact in our local community. Since its inception in 1994, the Sharks Foundation has positively impacted the lives of close to 10 million residents throughout Northern California, empowering youth through education and wellness programs while advancing equitable access to hockey for all. Sharks Sports & Entertainment community-based programs will continue to support city beautification projects, including the Sharks Community Connections Mural Project, and the newly adopted areas in Arena Green West and the Guadalupe River. As part of the new agreement, the Sharks have committed to contributing an additional $12 million for community benefits over the term of the new agreement.

"The San Jose Sharks are a powerful economic engine and a source of pride for our city," said **Leah Toeniskoetter**, President & CEO of the San Jose Chamber of Commerce. "This long-term agreement to keep the Sharks in San Jose through 2051 ensures continued vibrancy in our downtown, supports thousands of jobs, and reinforces San Jose's identity on the international stage of sports and entertainment."

Since opening in September 1993, SAP Center at San Jose has been the preeminent community gathering place, providing more than 30-years of sports and world-class entertainment for the City of San Jose and its residents and helping bolster the city's claim as the "Capital of Silicon Valley."

In addition to serving as the home to the National Hockey League's San Jose Sharks, SAP Center has hosted the 2016 Stanley Cup Final, NHL All-Star Games in 1997 and 2019, world-class U.S Gymnastics events (2007, 2012, 2016, and 2023), U.S. Figure Skating Championships (1996, 2012, 2018 and 2023), the NCAA men's basketball tournament seven times (scheduled again in 2026) and the NCAA Women's Final Four in 1999, ATP tennis tournaments from 1994- 2013, league championships with indoor football's Bay Area Panthers and the San Jose SaberCats, and roller hockey's San Jose Rhinos – to name only a few.

As one of the country's busiest and most successful indoor arenas, nearly every performer imaginable has come to San Jose including Taylor Swift, Bad Bunny, Paul McCartney, Bruce Springsteen, Bob Dylan, Metallica, Vicente Fernandez, Beyonce, ATEEZ, Elton John, Billy Joel, Garth Brooks, Jay-Z, The Three Tenors (Placido Domingo, Luciano Pavarotti and Jose Carreras), Madonna, The Rolling Stones, Eric Clapton, Simon & Garfunkel, Lady Gaga, Prince, Drake, Adele, Luis Miguel, The Eagles, Fleetwood Mac, U2 .... and the list goes on and on.

WAYNE THOMAS

WAYNE THOMAS
1947 - 2025

Robert Wayne Thomas was born to Arthur and Lillian Thomas in Ottawa, Ontario on October 9, 1947.

Boasting a love of the game of hockey from an early age, he began his journey with the Ottawa Capitals of the Central Canada Hockey League (CCHL) between 1963 and 1967 and was named the League's top goaltender in 1965-66.

Wayne then played three years of varsity hockey at the University of Wisconsin under coach Bob Johnson, recording a shutout in his first game in 1968, an 11-0 victory against Pennsylvania. In 1970, Wisconsin's first season in the WCHA, he helped lead the team to the Frozen Four Tournament in Lake Placid, New York.

Wayne's National Hockey League rights were originally held by the Toronto Maple Leafs. He was subsequently traded to the Los Angeles Kings organization in 1968, and eventually to the Montreal Canadiens in 1970.

Wayne spent the 1970-1972 seasons in the American Hockey League with Montreal and Nova Scotia, capturing the Calder Cup, the AHL championship trophy, in 1972 with Nova Scotia.

He made his NHL debut the following season with the Montreal Canadiens, becoming the tenth goalie in NHL history to record a shutout in his debut, with a 3-0 Canadiens victory against the Vancouver Canucks. He won his first seven consecutive home starts, and recorded an 8-1 record, along with a 2.37 goals-against average and a .911 save percentage enroute to being a member of the Canadiens 1972-73 Stanley Cup Championship team.

During the 1973-74 season, Wayne's goals-against average (2.77) was the fourth-best average in the NHL and on March 10, 1974, Wayne set a Canadiens record with 53 saves in a 5-4 victory against the Pittsburgh Penguins (since tied by Carey Price.)

In June 1975, he was traded to the Toronto Maple Leafs in exchange for a first-round draft pick. The 1975-76 season would go on to be his best, playing in a career-high 64 games, posting 28 wins and being selected to the 1976 NHL All-Star Team.

The New York Rangers claimed Wayne in the 1977 Waiver Draft, and he would spend the next four seasons in The Big Apple, working in tandem with John Davidson.

He ended his NHL playing career in 1981, finishing with a 103-93-34 record, a 3.34 goals-against average and ten shutouts. Wayne also appeared in 82 Stanley Cup Playoff games with Toronto and the Rangers.

At the conclusion of his playing career, he was hired by the New York Rangers as a goaltending coach, one of the first in professional hockey, remaining in that position until the end of the 1984-85 season.

In 1985, Wayne became the head coach of the Salt Lake Golden Eagles of the International Hockey League (IHL). In his second year in Salt Lake City, the Golden Eagles won the League's Championship, the Turner Cup, and Wayne was awarded the Commissioner's Trophy as the IHL's Coach of the Year.

Between 1986 and 1993, Wayne served as an assistant coach with the Chicago Blackhawks and St. Louis Blues.

In 1993, Wayne joined the San Jose Sharks as assistant to the general manager and assistant coach. Over the next 21 years, he would take on a more advanced, day-to-day role in working with the Sharks goaltenders and ultimately, become the team's assistant general manager, where he was involved in all aspects of the Sharks on- and off-ice operations.

Wayne retired from the Sharks as Vice President and Assistant General Manager in 2015 after 45 years in professional hockey.

While he achieved great success as a member of several NHL front offices, Wayne's core passion was his daily work on and off the ice with NHL goaltenders throughout his coaching career, too many to list here, and he continued fruitful relationships with many of them up until his passing.

He is survived by his wife, Barb (Baeder); daughters Gretchen Kane [husband Tim, and son Harrison (11)] of New York, NY; and Abra Larson [husband Hans, and son Erik (17) and daughter Elsje (15)] of Deephaven, MN; brother Gary Thomas (wife Ruth) of Richmond, Ontario and many nieces, nephews, and numerous extended family members.

During the last 17 years of Wayne's life, his greatest joy and love was his grandchildren. He was overjoyed to attend every activity, concert, play, and sporting event and was an active participant in their growth and development.

In lieu of flowers, Wayne asked that donations be made to his grandchildren's' schools:

HASSO PLATTNER

OWNER

Hasso Plattner serves as the owner of Sharks Sports & Entertainment (SSE). A charter member of the local ownership group that purchased the San Jose Sharks from original owner George Gund III in 2002, Plattner became the organization's majority owner in 2010 and is currently the sole owner of the franchise.

A lifelong hockey fan, Plattner intently followed the game at the international level while growing up in his native Germany. An avid spectator of hockey's World Championships each year, he marveled at the exploits of the Soviet Union's powerhouse hockey teams in the late 1970's and early 1980's.

On a trip to the Bay Area as co-founder of SAP SE, the world's largest business software company, he distinctly recalls the moment his past and future collided while watching the Sharks play in 1993.

"The announcer says (Sergei) Makarov...(Igor) Larionov...(Johan) Garpenlov," Plattner recalled. "Not possible – I see two of the top players I watched for more than 10 years. And here they are."

And so began Plattner's affinity for the San Jose Sharks and hockey in the Bay Area.

His passion for the game of hockey and desire to win have been evident during his tenure as the Sharks majority owner. Under his stewardship, the team earned its first trip to the Stanley Cup Final (2016), made four appearances in the Western Conference Final (2010, 2011, 2016, 2019), and posted four 100+ point seasons.

Plattner affords General Manager Mike Grier the financial autonomy to spend to the NHL's upper limit of the salary cap and ensure the team has the resources it requires to scout, draft, and develop younger players while maintaining the financial stability to ensure the team can build a foundation to returning as a perennial playoff contender.

In addition, Plattner has provided resources for the organization's player development system to take major steps forward in several areas. Over the last several seasons since naming Grier as General Manager, the hockey staff has been significantly built out in several key areas, including analytics, scouting, development, and coaching, providing players the opportunity to learn from alumni who played the game at a high level to hone their craft and development.

Because of this, the Sharks have developed one of the most envious pool of prospects in just a few short seasons, collected several future first and second-round selections to continue the opportunity to add high-end players to the pipeline, and have several exciting younger players competing for roster spots.

Previously in 2014, he committed the financial backing to re-locate the team's American Hockey League (AHL) development affiliate to California in order to enhance the organization's ability to oversee and develop prospects. Along with that relocation came a large-scale, facility expansion at Sharks Ice at San Jose to house the AHL's San Jose Barracuda where the franchise opened the 2022-23 season at Tech CU, along with a major cosmetic modernization and renovation to the Sharks existing practice facilities. The expansion created two additional public ice sheets, making it the largest ice facility under one roof in North America.

Off the ice, Plattner has paid for many major upgrades to SAP Center, ensuring the venue remains a world-class facility despite being one of the oldest in U.S. sports. On Aug. 26, 2025, the City of San Jose and Sharks Sports & Entertainment reached a landmark agreement to fund several major large-scale updates and renovations to the city-owned building, totaling over half a billion dollars of future investment.

With the agreement that was unanimously approved by the City of San Jose, the Sharks will remain in San Jose for another 25 years, extending the lease agreement to the 2050-51 season. After investing over $100 million of his own money in the arena in the previous 10 years, Hasso and the Sharks are committing at least $100 million in the venue moving forward ensuring that SAP Center remains modern, world-class sports and entertainment facility for present and future residents throughout Silicon Valley and Northern California.

Some of the large-scale projects previously completed included the installation of a permanent dehumidification system to ensure SAP Center is capable of maintaining the best ice conditions possible in the Bay Area's temperate climate, a brand-new center hung scoreboard which improves the venue's game presentation production prior to and during Sharks games, and a premium seating experience known as the Penthouse Lounge, which provides an exclusive, elevated viewing experience for all SAP Center events. These, and many other SAP Center improvements, were made without public subsidy.

Following the agreement, the future improvements will include deferred maintenance and infrastructure updates to SAP Center's elevators, restrooms, plumbing, Wi-Fi network, sound system, electrical, fire protection system, and emergency generators. Additionally, modernization plans for the main concourse, penthouse, and club levels will enhance the guest in-arena experience while changes at the arena level will update the sports and entertainment locker rooms providing a modernized experience for visiting entertainers, sports teams, and Sharks hockey.

Plattner's passions in life are sports, business and science. After co-founding SAP in 1972, he served as CEO until 2003 and served as Chairman of the Supervisory Board and as Chief Software Advisor until 2024, where he concentrated on defining the medium and long-term technology strategy of SAP. Plattner also was the head of the Technology Committee of the SAP Supervisory Board for over two decades.

Well known for his philanthropic efforts, Plattner is a leading private patron of education and research in science and technology. Following his retirement from day-to-day involvement in SAP, Plattner has devoted his time to the promotion of science, innovation and entrepreneurship, as well as to social and cultural projects.

Under the umbrella of the Hasso Plattner Foundation, which primarily focuses on supporting several transformative projects in education, science, environmental conservation, and art, he founded the Hasso Plattner Institute for Software Systems Engineering (HPI) in 1998 at the University of Potsdam in Germany, and expanded the HPI with a School of Design Thinking in 2007. The Foundation fully funds the HPI, which helped launch the Global Design Thinking Alliance with 10 other institutions to teach, research, and further develop the methods of Design Thinking. The HPI celebrated 20 years of Excellence in 2019, and has grown to over 1,000 alum and continues to expand to this day.

A few years later 2005, Plattner established the Hasso Plattner Institute of Design at Stanford University, informally called the Stanford d.School, which champions methods from the field of design to help people in every function across every industry become more innovative. The Stanford School has helped champion the world-wide adoption of Design Thinking, a formal methodology for tackling complex problems that goes beyond traditional brainstorming by re-framing the problem in human-centric ways.

In 2015, Plattner's desire to make a significant and meaningful impact in the global community led to him signing the Giving Pledge, which further established the Hasso Plattner Foundation.

The following year in 2016, Plattner joined forces with art dealer Guy Wildenstein to form the Wildenstein Plattner Institute, a foundation dedicated to advancing art historical scholarship by fostering the accessibility, cataloguing, and digitization of primary sources. Plattner also helped in the establishment of the Museum

Barberini, devoted to his holdings of modern and Impressionist art, as well as artists active in the former German Democratic Republic (GDR). Several of the masterpieces from the Hasso Plattner Collection have been on permanent loan since 2020.

In 2022, he opened Das Minsk, another private museum in Potsdam, which focuses on East German artists who were active after the fall of the Berlin wall, and in 2024, a nonprofit called Navigating.art joined the Foundation's philanthropic Art and Culture initiatives. The nonprofit has been instrumental in organizing, cataloguing, and publishing education materials to support art researchers in the digital landscape.

In addition to his work in the art and sciences, Plattner has long been active in the fight against AIDS in South Africa.

Plattner has received a number of honors recognizing not only his accomplishments in the business world but his significant track record in giving back to the community.

In 2002, the University of Potsdam appointed him an Honorary Doctor, and in 2004, an Honorary Professor. In 1998, he was inducted into the German Hall of Fame, which honors those who promote economic and social development in Germany. In 1997, he received the Information Technology Leadership Award for Global Integration as part of the Computerworld Smithsonian Awards Program.

In 2016, he was awarded the Prize for Understanding and Tolerance presented by the Jewish Museum Berlin, awarded to "individuals to honor their exceptional contribution to understanding and tolerance, the promotion of human dignity, the integration of minorities and the coexistence of different religions and cultures." In 2015, he was awarded the GABA Lifetime Achievement Award and in 2014 received the Leonardo European Corporate Learning Award in the Thought Leadership category.

Plattner received his master's degree in communications engineering from the University of Karlsruhe. In 1990, the University of Saarbruecken awarded him an honorary doctorate and in 1994 he was granted an honorary full professorship.

Along with being a life-long hockey enthusiast, Plattner is an avid competitive sailor who has participated in numerous 505 World Championships, a race for high-performance two-person sailboats, as well as many offshore races. His top sports hero is Jesse Owens, the track and field star who captured four gold medals at the 1936 Berlin Olympics, and his top personal hero as Nelson Mandela for his ability to guide South Africa out of apartheid.

JONATHAN BECHER

PRESIDENT

Jonathan Becher is president of Sharks Sports & Entertainment, the parent organization for the San Jose Sharks (NHL), the San Jose Barracuda (AHL), three Sharks Ice recreational facilities, and the non-profit Sharks Foundation. A long-time Sharks fan and season ticket holder, Becher is responsible for the organization's overall strategy with a particular focus on the end-to-end experience. He serves as the organization's Alternative Governor for the NHL Board of Governors.

Behind Hasso's leadership and direction, Becher has been instrumental in fostering relationships within the Bay Area community, while also solidifying a positive relationship with the City of San Jose and the people who call San Jose home. On Aug. 26, 2025, after multiple years of negotiations led by Becher, the San Jose City Council unanimously voted to extend the Sharks lease agreement through the 2050-51 season, further entrenching the Sharks brand and identity in San Jose. This new agreement includes City and Sharks financing for several, large-scale updates and renovations to SAP Center, helping ensure the city-owned arena remains a modern, world-class sports and entertainment venue.

Prior to joining Sharks Sports & Entertainment, Becher spent a decade at SAP in a variety of senior executive roles, including Chief Marketing Officer and Chief Digital Officer. While at SAP, he created the Digital Commerce business unit, which allows anyone to buy and use SAP third-party offerings without human intervention, and the Center for Digital Leadership, which empowers C-level executives and their organizations to be successful digital leaders. He also oversaw many large-scale sports and entertainment partnerships, including the National Basketball Association (NBA), the San Francisco 49ers, the Women's Tennis Association (WTA), and the naming rights agreement for the SAP Center at San José.

Prior to SAP, Becher was a three-time software company CEO, focused on analytics and machine learning technology. Becher continues to be an advisor to early-stage companies and is on the Board of Directors of multiple organizations, including Trintech, Catch & Release, and the Bay Area Host Committee. He is the co-chair of NHL Fan Inclusion Council and a member of the Knight San Jose Community Advisory Council.

Becher is a frequent speaker at events and a published author on a variety of topics – including his own popular blog, Manage By Walking Around (http://jonathanbecher.com). He holds a master's degree in computer science from Duke University in North Carolina and a bachelor's degree in computer engineering from the University of Virginia.

MIKE GRIER

GENERAL MANAGER

In his fourth season as general manager of the San Jose Sharks, Mike Grier continues to reshape the franchise from a struggling, once-perennial Stanley Cup Playoff contender into one of the most enviable up-and-coming teams in the National Hockey League.

Grier, 50, has overall authority regarding all aspects of the Sharks hockey-related operations, including overseeing all player personnel decisions, leading the club's player evaluation process at all professional, minor, and junior levels, negotiating player contracts, directing the club's on-ice coaching and off-ice support staffs, and managing the efforts of the team's scouting department.

Since being named the fifth general manager in Sharks franchise history on July 5, 2022, and becoming the first Black general manager in the history of the National Hockey League, Grier has strategically reshaped the Sharks organization in nearly every conceivable area: administration, coaching, player development, and the team's NHL roster and prospect pool.

Shortly after taking over the role, Grier began the difficult but necessary process of re-stocking the organization's pipeline of talent, acquiring young player assets and draft picks in exchange for many of the team's existing veteran players, many of whom were playing on long-term and high dollar contracts. In his first two seasons, Grier made a series of high-profile trades to shed contract term and salary, parting ways with players such as Brent Burns, Timo Meier, Erik Karlsson and Tomas Hertl.

Those transactions, while difficult, brought in several different assets from young players such as Shakir Mukhamadullin and, perhaps most importantly, multiple first-round draft selections which has been used to reinvigorate the team's pipeline into the most enviable prospect pool in the NHL.

Over his last three drafts, Grier added 2023 first-round selection Will Smith and 26th overall Quentin Musty, 2024 first-overall and 2024-25 Calder Finalist Macklin Celebrini and 11th overall Sam Dickinson, who was the OHL and CHL Defenseman of the Year in 2024-25, and 2025 second-overall Michael Misa and 30th overall Joshua Ravensbergen, the top-ranked North American goaltender in the draft by NHL Central Scouting and the earliest goalie ever selected by San Jose, and has selected at least nine players via the draft in each year he has overseen the Sharks operations, adding 36 players to the system.

Just prior to the start of the 2024-25 season, Grier packaged the return from the Hertl trade – forward prospect David Edstrom and Vegas' first round 2025 selection – to the Nashville Predators in exchange for hockey's top-rated goaltending prospect, Yaroslav Askarov, further enhancing the team's pipeline of players, which has been widely claimed to be the top-ranked prospect pool in the NHL.

Additionally, Grier has continued to alter the roster by utilizing players or assets acquired to be traded for additional future assets or young players without giving up significant future assets. In the moves that involved Fabian Zetterlund, Mikael Granlund, and Jake Walman being traded prior to the 2025 deadline, the Sharks collected two first-round draft picks, one in the second round, and one in the fourth, and forward Zach Ostapchuk. Walman originally joined the Sharks via trade from Detroit which netted an additional second-round selection.

While overseeing the team's four drafts, the Sharks have selected a total of 14 players in the first two rounds (seven first-round selections and seven second-round selections), which is behind only Chicago (16) for the most players selected in the opening two rounds since 2022.

Additionally, entering the 2025-26 season, Grier owns four picks (two in the first, two in the second) in the upcoming 2026 NHL Draft to have an additional opportunity to add another set of high-end prospects to arguably the best pipeline in the National Hockey League.

Prior to joining the San Jose organization in his current role, he was hand-picked by New York Rangers President and General Manager and former teammate Chris Drury to serve as a hockey operations advisor. In that role, Grier assisted Drury in hockey-related decisions and off-ice player development, and assisted prospects in the Rangers organization, including players with the Rangers' American Hockey League (AHL) affiliate, the Hartford Wolf Pack.

During the 2021-22 season, a rebuilding Rangers team experienced a 50-point improvement over their 2020-21 campaign, finishing with a 52-24-6 record and 110 points, a second-place finish in the Metropolitan Division (seventh overall in the NHL) and advanced to the Eastern Conference Final, before succumbing to the Tampa Bay Lightning in six games.

Grier also served on USA Hockey's selection committee for the 2022 World Championships, where he assisted in scouting, evaluating and selecting players for the U.S. team.

Grier served as an assistant coach with the New Jersey Devils for two seasons (2018-20). As a member of Head Coach John Hynes' staff, Grier worked directly with the forwards and assisted with the Devils special teams. During his two seasons with the Devils, New Jersey's penalty killing ranked third in the NHL (83.4%) and their net penalty killing percentage was second overall (87.4%). He was also responsible for pre-scouting the Devils opponents.

From 2014-18, Grier served as a scout with the Chicago Blackhawks, including their 2015 Stanley Cup Championship season. Grier focused on scouting amateur and professional players, including the team's prospects and prospective player acquisitions both at the NHL level and via the NHL Draft.

From 2013-17, Grier served as an assistant coach at St. Sebastian's Prep School in Needham, Mass. He has also been active in working on skill development with collegiate and high school hockey players in the Boston area (2011-2017).

As a player, Grier spent 14 seasons in the National Hockey League as one of the game's top defensive forwards and leaders. He amassed 1,060 NHL games with the Edmonton Oilers, Washington Capitals, Buffalo Sabres, and the Sharks, collecting 383 points (162 goals, 221 assists) along with 510 penalty minutes. He served as an alternate captain and as a member of the leadership group with each of his NHL teams. As a physical, penalty-killing forward annually in the conversation for the Frank J. Selke award, Grier helped establish a top unit on multiple teams, including a League-best penalty kill efficiency on San Jose in 2007-08 (85.8%), fifth-best in 2008-09 and he helped Buffalo achieve the second-best efficiency in 2009-10 (86.6%).

During his NHL tenure between 1996-2011, Grier tied for 11th amongst all NHL players with 20 short-handed goals. Despite the NHL not tracking advanced statistics until the 2005-06 season, Grier ranks 10th amongst all NHL forwards in blocked shots (315) and 33rd in hits (705) over the course of his career.

He initially joined the Sharks organization as a free agent on July 3, 2006 and over the next three seasons, appeared in 221 NHL games, recording 78 points (35 goals, 43 assists). As an alternate captain, Grier helped the Sharks reach the Stanley Cup Conference Semifinals in 2006-07 and 2007-08. He was also a member of the Sharks 2008-09 Presidents' Trophy-winning club that won 53 games and earned 117 points.
His best season with the franchise was in 2006-07 where he registered 33 points (16 goals, 17 assists) in 81 games and led the club in short-handed goals (three). He then added four points (two goals, two assists) in the 2007 postseason in 11 games, which included a two-point game where he scored a goal and assisted on the game-winning goal by Patrick Rissmiller in the second overtime of Game One of the Western Conference Quarter Final against the Nashville Predators, en-route to a 4-1 series victory for the Sharks.

Originally selected by the St. Louis Blues in the 1993 NHL Draft (ninth round, 219th overall), Grier's rights were later traded to the Edmonton Oilers, along with goaltender Curtis Joseph, for St. Louis' first-round selections in the 1996 and 1997 NHL Drafts. Grier earned a spot on the Oilers roster directly after his collegiate career and never played a game in the minor leagues. Upon his NHL debut on Oct. 4, 1996, Grier became the first African American born and trained in the U.S. to play in the NHL.

Grier's teams appeared in the Stanley Cup Playoffs in 12 of his 14 NHL seasons, including advancing to the 2006 Eastern Conference Final, where Buffalo narrowly lost a seven-game series to Carolina. In 101 Stanley Cup Playoff games, Grier tallied 28 points (14 goals, 14 assists) and 72 penalty minutes.

Grier has also had a long-standing relationship as a player and a coach with USA Hockey, beginning with being selected to the 1995 World Junior Championship team. He was a member of the 1996 U-21 National team and captured a bronze medal at the 2003 World Championships, where he was named an assistant captain. Off the ice, Grier served as coach at the USA Hockey 17s Festival and the CCM All-American Prospects Game in 2014, was an assistant coach for the U.S.

JOE WILL

ASSISTANT GENERAL MANAGER, SAN JOSE SHARKS / GENERAL MANAGER, SAN JOSE BARRACUDA

Joe Will enters his 15th season as assistant general manager for the San Jose Sharks and his 13th as general manager of the Sharks' American Hockey League affiliate (Worcester Sharks and San Jose Barracuda).

In San Jose, Will works closely with General Manager Mike Grier on all daily departmental functions and his primary responsibilities include contract research and negotiations, scouting operations, fiscal planning, salary cap analysis and hockey administration.

In addition, as general manager of the San Jose Barracuda, he oversees all of the hockey operations for the Sharks AHL affiliate, including player evaluation, player contracts, and player recall and reassignments.

Will has been instrumental in the Barracuda's success and focusing his efforts to help strengthen the organization's player development system and program.

Beginning in the 2015-16 season, the Sharks relocated their American Hockey League affiliate to San Jose and the Barracuda became a part of the AHL's new Pacific Division and play in Tech CU Arena, which was established as the 'Cuda's permanent home building in 2022. The move west eliminated the need to fly players across the United States in the event of recalls and reassignments, adding valuable rest and practice time. It also allowed for greater interaction and observation from San Jose's development coaches and upper management hockey staff.

The relocation paid immediate dividends, and continues to do so to this day. In the 2024-25 season, the Barracuda witnessed 17 different players appear for both the Sharks and Barracuda, with Luca Cagnoni and Ethan Cardwell making their respective NHL Debuts. Additionally, the Sharks added several quality veterans to not only provide veteran experience to the young players in the professional ranks, but to also have stable leadership, improved on-ice play, and a more wholistic blend of young and veteran players.

The additions to the Barracuda helped the team qualify for the AHL postseason for the first time since 2021 (play-in rounds). The team defeated the Ontario Reign on the road in the opening series (2-0), but ultimately fell to Colorado in the Division Semifinals. Several young players made their professional debuts in the AHL postseason, including Collin Graf (five points), Filip Bystedt (three goals), Luca Cagnoni (three assists), and Yaroslav Askarov who finished with a 1.68 goals-against average and .935 save percentage, ranking in the Top-5 among all qualified AHL goalies.

Since the team's inception to the Pacific Division after relocating for the 2015-16 season, the Barracuda have qualified for the playoffs five times, and in the 2016-17 season, won the Pacific Division title with a 43-16-4-5 record (95 points) and made an appearance in the Western Conference Final against the Grand Rapids Griffins.

That season, team finished with the second-best winning percentage in the AHL (0.699%), winning the Bud Poile Trophy as the Western Conference regular season champions and the John Chick Trophy as Pacific Division champions. In addition, the Barracuda held an AHL season-long winning streak of 14 games, paced the AHL in goals per game (3.44), ranked second on the power play (23.8%), eighth ranked penalty kill (83.3%) and had nine different players spend time on the Sharks roster, all while having the fifth youngest team in the league. The season marked one of the most successful campaigns in San Jose Sharks minor league affiliate history.

All of these accomplishments occurred following a concerted effort by the front office to reinvigorate the organization's top-ranked prospect pool, largely spearheaded, at the AHL level, by Joe Will.

One of Will's most important duties involves the tracking, analyzing and projecting of the team's player payroll relative to the current and future National Hockey League salary cap to give the team the financial flexibility to ice a championship-caliber team each season.

Will, 59, also works with the organization's professional scouts and management team in player research for expansion, waivers, free agency and trades. His expert analysis of economic trends in the NHL has led to the Sharks acquisition and retention of several key veteran players over his time with the club.

Additionally, Will was named as the interim general manager for the Sharks on Apr. 7, 2022, and handled the day-to-day duties as general manager in addition to his role as the assistant general manager until the hire of the current Sharks General Manager Mike Grier on July 5, 2022.

Prior to his current roles, Will served as the team's director of hockey operations from 2004-2011. A member of the Sharks organization since the franchise's inception in July 1990, he has also previously served as assistant to the general manager and scouting coordinator.

The Bloomington, Minn. native also works with director of scouting Tim Burke in the development and implementation of draft prospect testing, draft table operations and computer scouting analysis. Will is an integral part of the team's draft-day strategy. Without his coordinating efforts, the team would not have drafted 2001 Calder Memorial Trophy winner Evgeni Nabokov in 1994. In addition, he developed the Sharks computer scouting program that pioneered the advent of scouting programs now used throughout the NHL.

Prior to joining San Jose, Will spent six years in the Minnesota North Stars organization in various capacities.

TOM HOLY

ASSISTANT GENERAL MANAGER

Tom Holy enters his fourth year as Assistant General Manager, and will oversee the analytics department, staff budgeting and contracts. He will be the liaison between the Sharks Hockey Operations and Business departments, along with the NHL scheduling for the team.

Tim Burke enters his fourth season as senior advisor/pro scout and his 32nd season overall with the Sharks, after four seasons as assistant general manager alongside Joe Will. Burke previously worked as the director of scouting with San Jose for 21 years.

Burke assists the Sharks efforts in the National Hockey League's annual draft while working closely with General Manager Mike Grier and his staff, and the development of the Sharks prospects.

Burke's hard work and keen decision making, coupled with the talents of his competent staff at evaluating players, produced admired results during the franchise's perennial Stanley Cup run from 2003-2019. Burke's selection process helped the Sharks create a solid foundation of talented players from which to build the franchise around – including Joe Pavelski (2003), Marc-Edouard Vlasic (2005), Justin Braun (2007), Logan Couture (2007), Dylan DeMelo (2011), Tomas Hertl and Chris Tierney (2012), and Timo Meier (2015).

Beginning with the 2003 NHL Draft, and through the 2017 draft, Sharks draft selections played the fifth-most games of any NHL team's draft picks (10,411) and posted the fifth-most goals (1,693) in that span, despite the organization having the lowest average draft position of any NHL team during that span (129.75).

A member of the Sharks scouting department since the 1992-93 campaign, Burke was promoted to director of scouting on June 4, 1996. Before his promotion, Burke served as director of professional scouting from 1992-96 and evaluated talent throughout all North American professional leagues and assisted with amateur scouting.

From 1987-92, he spent five seasons in the New Jersey Devils organization, serving in several capacities, including as a Devils assistant coach, head coach for the American Hockey League's Utica Devils and as a pro scout. Burke was also an assistant coach at Princeton University from 1984-86.

A former defenseman, Burke was selected by the Montreal Canadiens in the seventh round (124th overall) of the 1975 NHL Entry Draft and by the Chicago Cougars in the second round (25th overall) of the 1974 World Hockey Association Entry Draft. He was a four-year letterman in both hockey and baseball at the University of New Hampshire, where he was named to the NCAA's All-America hockey team after his senior campaign.

He played seven years of professional hockey following his outstanding collegiate career, including three seasons (1977-80) with the Nova Scotia Voyageurs, the Canadiens AHL affiliate, and one season with Jokerit Helsinki in the Finnish Elite League.

SCOTT FITZGERALD

DIRECTOR OF PLAYER PERSONNEL

Entering his fourth season as Director of Player Personnel, Fitzgerald will focus on pro and amateur scouting, including potential top-two round selections at the NHL Draft and college free agents.

Fitzgerald, in tandem with Director of Amateur Scouting Chris Morehouse, have strategically helped the Sharks franchise select several high-level prospects with the picks accumulated by General Manager Mike Grier.

In the 2025 Draft, with four picks in the first two rounds of the draft, Fitzgerald helped select second-overall Michael Misa, 30th overall Joshua Ravensbergen, 33rd overall Haoxi (Simon) Wang, and 53rd overall Cole McKinney.

Under his guidance and expertise, the Sharks have accumulated several high quality players from the first two rounds of the draft from 2023, including Cam Lund, Will Smith, Quentin Musty, Kasper Halttunen, and in 2024, added first-overall and 2024-25 Calder Finalist Macklin Celebrini along with 11th overall choice Sam Dickinson, who was the OHL's and CHL's Top Defenseman of the Season in 2024-25. Each of these players signed with the organization, and currently two of these players made their NHL debuts last season.

He previously was with the Boston Bruins for 16 seasons, joining the franchise in 2006. He worked in various roles, including Chief College Scout, Director of Amateur Scouting, Scouting Coordinator and Scout. He also worked with the Columbus Blue Jackets as a scout from 1999-2006. His brother Tom is the current general manager for the New Jersey Devils.

TODD MARCHANT

DIRECTOR OF PLAYER DEVELOPMENT, SENIOR ADVISOR

Todd Marchant begins his fourth season as the team's director of player development, senior advisor. Marchant will oversee the player development department.

Under the direction of Marchant, along with the organization's development coaches, the Sharks have witnessed several players make their NHL debut in the last couple seasons with the organization while also developing with the San Jose Barracuda, including Shakir Mukhamadullin, Luca Cagnoni, and Ethan Cardwell.

CHRIS MOREHOUSE

DIRECTOR OF AMATEUR SCOUTING

Chris Morehouse will begin his fourth season in the Sharks organization as director of amateur scouting. In his role, Morehouse will oversee the Sharks amateur staff and run the draft.

Starting with his first draft with the team in 2023, Morehouse has managed the selection of 27 players, including six first-round selections in first-overall Macklin Celebrini, 2nd overall Michael Misa, 4th overall Will Smith, 11th overall Sam Dickinson, 26th overall Quentin Musty, and 30th overall Joshua Ravensbergen. Four of those players are signed on an entry-level contract with the organization.

Following the conclusion of the 2024-25 season, several of these players earned or were considered for several top-tier accolades. Celebrini was a 2024-25 Calder Finalist, Dickinson was the CHL and OHL's Top defenseman, Michael Misa was the OHL's Top scorer and was named the league's Most Outstanding Player.

Additionally, several players drafted by the Sharks have shown promise at both the professional and junior levels. Luca Cagnoni, a fourth-round selection, made his pro debut with the Barracuda and led all AHL rookie defensemen in points. He also appeared in a brief stint with the Sharks, playing in six games and collecting two assists.

Kasper Halttunen returned to juniors after a brief stint with the Barracuda, recording four points in six games. He proceeded to help lead the OHL's London Knights to back-to-back OHL Championships, along with a Memorial Cup victory. Igor Chernyshov, after returning from injury halfway in the 2024-25 season, put up 55 points in 23 regular season games, averaging over two points-per-game.

Originally from Memramcook, New Brunswick, Stephane now resides in Dieppe, New Brunswick with his wife, Megan, and three children; Janelle, Jasmine and Felix.

RYAN WARSOFSKY

HEAD COACH

Warsofsky is one of the NHL's brightest up-and-coming head coaches and has been successful at nearly every level of hockey he has coached at in his career, which includes an IIHF World Championship Gold Medal as Head Coach with Team USA (2025), a Calder Cup Championship with the Chicago Wolves (Head Coach, 2021-22) and Charlotte Checkers (Assistant Coach, 2018-19) in the American Hockey League (AHL), and owns a career 105-47-11-7 regular season record (.671%) in the AHL.

The 37-year-old, who remains the youngest active head coach in the NHL, begins his second season behind the bench as the 11th full time Sharks Head Coach after being named to the role on June 13, 2024. This is his fourth season overall with the team, previously serving as Assistant Coach.

Warsofsky has been tasked with the development of the team's young players at the highest level and setting the foundation for future success to help return the team to perennial playoff success.

Despite the on-ice results in his first season, Warsofsky's direction showed improvement in the team's play, and several of the franchise's U-22 players had experienced successful seasons. San Jose led the NHL in scoring from players 22 and younger, finishing the year with 192 such points, second-most in club history behind only 2006-07 (197). Additionally, Macklin Celebrini, the organization's first-overall selection in 2025, set several franchise rookie records and by the end of the season was named a Calder Finalist. Will Smith, despite having a slow start to the year, catapulted himself into the conversation, finishing top-5 among rookies in nearly every offensive category. Fabian Zetterlund, prior to his trade to Ottawa, was on track for a second consecutive 20-goal season, and William Eklund, Collin Graf, and Shakir Mukhamadullin all experienced significant improvements in their game, with Eklund setting career bests in goals, assists, and points.

Warsofsky earned his first NHL victory in the position on Oct. 28, 2024 at Utah, capping a come-from-behind win after trailing 4-1 in the third period, becoming the 100th-youngest coach (37 years, two days) in NHL history to record his first win, the fourth-youngest since 2000 and 22nd-youngest of his lifetime.

Warsofsky owns a career 20-50-12 record as Head Coach with the Sharks.

After the conclusion of the 2024-25 season, Warsofsky was named as Head Coach to Team USA for the first time, marking his second position with the team where he previously served as Assistant Coach for the 2023 IIHF World Championship team and helped USA to a fourth-place finish.

Warsofsky guided the youngest roster in the tournament, an average of 24 years old, to a Gold Medal finish, the first time since 1933 the country has won gold in the tournament and is the country's second ever gold medal finish in the tournament. Team USA won nine of its 10 games (7-2-0-1), capping off the World Championship win in a dramatic 1-0 overtime win over Team Switzerland.

Prior to being named head coach of the franchise, Warsofsky served as an assistant from 2022-24, where he was responsible for overseeing the team's defense and penalty kill. Working with one of the younger rosters in the NHL, the Sharks penalty kill ranked 18th in the NHL at 78.8%.

As a first year Assistant Coach in 2022-23, Erik Karlsson collected a franchise-record 101 points by a defenseman, helping the blueliner win his second Norris Trophy, and becoming the Sharks second player to win the award. Karlsson became the sixth NHL defenseman at the time to ever eclipse the 100-point threshold, and his 1.23 points-per-game was the third-best in the past three decades among defenseman who appeared in at least five or more games in any given season.

In the same season, the Sharks defensive unit scored the eighth-most points (tied) by defensemen, collecting 191 points, and held the third-most (tied) assists among team blueliners in the league. San Jose's defensive core accounted for 30.0% of the team's points, the highest rating among all NHL teams. The Sharks also held the eight-best penalty kill unit, earning an 82.4% efficiency while the team was a man down.

Warsofsky joined the Sharks following two seasons (2020-22) as head coach of the Chicago Wolves (AHL). 2022-23 SEASON IN REVIEW

SEASON HIGHLIGHTS

- **Erik Karlsson** became the sixth NHL defenseman to reach the 100-point mark, joining Bobby Orr, Paul Coffey, Denis Potvin, Al MacInnis and Brian Leetch in the exclusive club. He capped his chase to the century mark with a two-goal effort at Winnipeg (April 10) to hit 100 and completed the season with 101 points, tied for the 13th-most by a defenseman in NHL history, after notching an assist in the season finale at Edmonton (April 13). The Swedish blue-liner factored into 101 of 233 goals on the season for the Sharks (43.35%), narrowly edging Orr (1969-70; 43.32%) for highest single-season percentage in the NHL's modern era (since 1943-44). Karlsson, who concluded the year with 30 multi-point games - one of four defensemen in league history to achieve the feat - finished with the second-most points in a season in team history, and rewrote the records for Sharks defensemen, completing the campaign with the most assists (76) and points (101) in a single season. Karlsson registered a 14-game point streak from Dec. 3 through Jan. 6 (2g, 20a) is the longest in club history. Karlsson, who appeared in all 82 games for the fourth time in his career and first since 2015-16, finished the season as the Sharks' leader in assists and points, the NHL defense leader in goals (25), assists and points and was fourth in the league in even strength points (74). On April 10 in Winnipeg, Karlsson scored 20 seconds into the first period to mark the 1,000th goal scored by a defenseman in franchise history.
- Sharks captain **Logan Couture** recorded a career-best five points (2g, 3a) on Jan. 28 at Pittsburgh. The captain found the scoresheet in each period (1a in 1st Pd. - 2a in 2nd Pd. - 2g in 3rd Pd.) and scored the game's final two goals, including the third period game-winner. This marked the ninth five-point game in franchise history, and first on the road in almost 20 years (last: Owen Nolan, 1g, 4a on March 10, 2003 @ VAN). All five of Couture's points came at even strength, matching the franchise record for even-strength points in one game. Couture finished second on the club in goals (27) and points (67) and is tied for second-most assists (40) on the year. His 27 goals tied for his most since 2017-18 and his 67 points tied for the second most he has ever had in a season (behind 2018-19 [70] and tied with 2014-15). His 46 even strength points on the year represented the second-best total of his career, four shy of his best of 50 set in the 2018-19 campaign. Post All-Star break, the captain was second on the Sharks in scoring and led the forward group with 25 points. On April 10, Couture became the fifth player from the 2007 NHL Draft, and needed the fourth-fewest games, to reach 700 career points when he recorded an assist in Winnipeg. The captain scored the game-winning overtime goal on March 30 against Vegas after intercepting a pass from Golden Knights defenseman Alex Pietrangelo. He enjoyed a six-point (2g, 4a) run in a four-game home stand from March 11-18 and added a helper in the Sharks' March 20 tilt at Edmonton as well as a goal March 25 against Calgary. On Feb. 20, he scored his 20th goal of the season with an unassisted marker against Seattle. This marked the 10th time in his career that he has hit the 20-goal threshold, all with the Sharks. Only Patrick Marleau (14) has recorded more 20-goal campaigns in teal. He notched his 50th point of the year on March 2 vs. St. Louis, making him one of only four players in team history to have nine or more 50-point seasons (Joe Thornton-12, Marleau-11, Joe Pavelski-10).
- In the final six weeks of the year, 11 different skaters joined the Sharks roster to play their first game for the club on the season (**Andrew Agozzino**, **Thomas Bordeleau**, **Kyle Criscuolo**, **William Eklund**, **Danil Gushchin**, **Nikolai Knyzhov**, **Jacob Peterson**, **Derrick Pouliot**, **Adam Raska**, **Tristen Robins**, **Henry Thrun**), combining for 24 points (8g, 16a) in 69 games.
- **Alexander Barabanov** enjoyed a career year on the offensive end, setting personal bests in every offensive category including goals (15), assists (32), points (47), power play points (12), power play goals (three) and shots on goal (120). He also set a career-long, six-game point streak (2g, 4a) from Dec. 31 through Jan. 11.
- Highlighted by the thrilling come-from-behind win over Winnipeg on March 6, a game in which San Jose tied the game with fewer than 11 seconds left and went on to seal the game in overtime, the Sharks completed the season with come-from-behind efforts in nine of 22 wins on the year. Coming out of the All-Star break San Jose defeated Tampa Bay in overtime after trailing 3-1 at the end of the first period. They became the first team to beat the Lightning when trailing after the first period (prev. 20-0-0). On Jan. 18, the Sharks overcame a three-goal hole (trailed 3-0 in the second period) en route to a 5-3 win over Dallas, marking the team's fourth-ever regulation win when trailing by three or more goals and first since the 2010-11 season. San Jose's comebacks in each contest of a three-game win streak Nov. 11 at Dallas (trailed 1-0), Nov. 13 at Minnesota (trailed 2-0) and Nov. 15 at Vegas (trailed 1-0 and 2-1) represented the first time since March 14 through 17, 2018 that the Sharks earned three consecutive come-from-behind wins in one road stint.

2021-22 SEASON IN REVIEW

SEASON HIGHLIGHTS

- **Timo Meier** set NHL career highs in nearly every offensive category, finishing the 2021-22 campaign with 76 points (35 goals, 41 assists) in 77 games. The winger led the Sharks in goals and points, ranked second in assists and ranked second among club forwards in time on ice per game (19:09, a new career high). Among NHL skaters, Meier ranked third in the NHL in shots (326). He factored in on more than 36% of all of San Jose's goals this season. On Feb. 5, he was named to the 2022 Honda NHL All-Star Game. Meier posted single-season records among Swiss-born skaters in goals and power-play goals (12). With a three-point (2g, 1a) night on Feb. 17 against Vancouver, Meier became the fastest Swiss-born skater to ever reach 50 points in a season, doing so in just 43 games played.
- On Jan. 17, Meier set a new franchise record for goals by a player in a single game after recording five goals against the Los Angeles Kings. Per NHL PR, Meier also became the first Sharks skater, and fifth player in the last 50 seasons, to score five or more goals within the first two periods of a game. He joined Peter Bondra (Feb. 5, 1994), Joe Nieuwendyk (Jan. 11, 1989), Dave Andreychuk (Feb. 6, 1986) and Bryan Trottier (Feb. 13, 1982).
- **Tomáš Hertl** had a landmark season in 2021-22. Along with signing an eight-year contract extension with the Sharks on March 16, the center set multiple personal and franchise milestones. On March 26, Hertl collected a pair of assists on Timo Meier goals to reach 200 NHL assists on his career. On March 30 at Arizona, Hertl appeared in his 569th NHL game to pass Owen Nolan (568) for sole possession of 10th on the franchise's all-time games played list. The next night, he recorded a pair of assists against Colorado to pass both Jeff Friesen and Dan Boyle (201) for eighth on the franchise's all-time assist list.
- 18 different rookies played for the Sharks in 2021-22, a new franchise record and tied for the ninth most by any team in a single season, per NHL PR. This also marked the 14th instance of a team dressing 18 or more unique rookies while boasting 400 or more rookie games played in a season.
- **Thomas Bordeleau** made his NHL debut on April 17 at Minnesota, recording his first career point (assist) in the first period on a goal by Rudolfs Balcers. He became the third rookie to record a point in their NHL debut this season, joining William Eklund (1a) and Jasper Weatherby (1g, 1a). Bordeleau started his career with an assist in three consecutive games from April 17-21. On April 24 at Vegas, Bordeleau scored the shootout-deciding goal on his first career attempt. In doing so, he became the 33rd player in NHL history to score their first shootout goal before their first NHL goal and 15th player to score their first shootout-deciding goal before their first NHL goal, per NHL PR.
- On Feb. 27, **Scott Reedy** and **Jonah Gadjovich** each scored their first career NHL goals to become the first Sharks teammates to do so in the same game since Dec. 28, 2019 (Mario Ferraro and Joel Kellman) and seventh in franchise history. Eight different members of the Sharks scored their first NHL goals this season, tied for the most for the franchise since their inaugural season in 1991-92 (10). Gadjovich, **Ryan Merkley**, **Jake Middleton** and **Jasper Weatherby** were also on the ice for Reedy's first career goal. Per NHL PR, this marked the first instance in franchise history that the Sharks scored a goal with five rookie skaters on the ice.
- San Jose led the NHL in number of rookies to appear (18), number of rookie games played (458, second most in franchise history), number of NHL debuts (11, tied with ARI) and number of rookies to record points (14). San Jose's 30 goals and 94 points by rookies this season were the most for the club since 2010-11 (43) and 2006-07 (130), respectively.

2020-21 SEASON IN REVIEW

SEASON HIGHLIGHTS

- **Patrick Marleau** broke the all-time games played record on Apr. 19, 2021 in Vegas, which was previously held by Gordie Howe who held the distinction since Nov. 26, 1961 when he became the first player in NHL history to reach 1,000 games played.
- Marleau also became the second player in NHL history to reach 1,600 games with one franchise

- For the second straight season, the Sharks had nine players make their NHL debut in 2020-21, and is the most in a two-year span since the franchise's first two years of existence (20 players, 13 in 1991-21, 7 in 1992-93).
- **Sasha Chmelevski** (Huntington Beach, CA) made his NHL debut on Feb. 5, 2021 against Anaheim, becoming the fourth California-born player to play in a game for the Sharks and marked the first time in Sharks franchise history (regular season and playoffs) in which two California-born players suited up for the Sharks in the same game (**Matt Nieto**).
- **Martin Jones** backstopped the Sharks to a series sweep against the Kings (2-0) Mar. 22-24, stopping 83-of-86 (.965) shots with consecutive 40+ save efforts. He was the first Sharks goaltender to post consecutive 40+ save games since Arturs Irbe did so from Apr. 8-10, 1993.

SAN JOSE BARRACUDA BIOS

JON GUSTAFSON

President/SVP Governor

Jon Gustafson enters his sixth season as Senior Vice President of SAP Center and Sharks Ice. For the previous eight years, he served as Vice President of Sharks Ice LLC, Sharks Minor Holdings (San Jose Barracuda), and SSE Merchandise.

In his current role, Gustafson oversees all venues under the SSE umbrella, including operations for the Sharks Ice family of rinks in San Jose, Fremont, and Oakland, as well as SAP Center. He also serves as Governor of the San Jose Barracuda and as a member of the AHL Executive Committee, acting as the primary liaison between the Barracuda and the league.

Since 2000, Gustafson has also served as Vice President and General Manager of the Sharks Ice facilities. Under his leadership, the operation has grown from a single rink with two ice sheets to three facilities with 10 ice sheets, while revenues have increased tenfold. He played a key role in the 200,000-square-foot expansion of Sharks Ice at San Jose, which included construction of Tech CU Arena, the 4,200-seat home of the Barracuda.

In 2013, the Jr. Sharks youth hockey program, founded by Gustafson and based out of Sharks Ice, was named a USA Hockey Model Program, one of only a handful in the country to earn that distinction. Gustafson also serves on the USA Hockey Board of Directors and works closely with organizations such as USA Hockey, USHL, NAHL, ISI, and USF to bring national and international hockey events to San Jose. In 2016, Sharks Ice hosted the USA Hockey Boys Tier 1 U16 and U18 National Championships, continuing its long tradition of hosting major events.

Gustafson was named the International Ice Skating Institute's "Facility Operator of the Year" in 2009. From 1996–99, he served as General Manager and Vice President of Operations for the San Jose Rhinos of Roller Hockey International (RHI). The team, which played at SAP Center, won the Murphy Cup as league champions in 1995, and Gustafson was recognized as RHI's "Executive of the Year" in 1999.

A former goaltender, Gustafson spent five seasons playing with teams in the AHL, ECHL, CHL, WCHL, and IHL. On April 15, 1992, he dressed as the backup goaltender for Grant Fuhr with the Toronto Maple Leafs at Maple Leaf Gardens in a 4–2 win over the New York Rangers. The Fort Frances, Ontario native also played four collegiate seasons at Colorado College.

JOHN McCARTHY

Head Coach

On May 18, 2022, John McCarthy was named the second head coach in franchise history after spending two seasons as a development coach. In 2024–25, he guided the Barracuda to their first Calder Cup Playoff appearance since 2018–19 and their first playoff series win since 2017.

On December 27, 2019, McCarthy made his coaching debut as a Barracuda assistant against Stockton, just hours after announcing his retirement from professional hockey. Earlier that month, on December 10, he suffered an ischemic stroke caused by a previously undetected hole in his heart. Thanks to swift action from the team's medical staff and physicians at Kaiser Permanente, he made a full recovery.

Drafted by the Sharks in the seventh round of the 2006 NHL Draft, McCarthy holds nearly every major Barracuda franchise record, including games played (275), goals (62), assists (76), points (138), and shorthanded goals (5). He captained the Barracuda from 2016–20 and also wore the "C" for the Worcester Sharks in 2012–13.

Over 577 AHL games with Worcester, Chicago, and San Jose, McCarthy recorded 297 points (130 goals, 167 assists), 233 penalty minutes, and a plus-62 rating. He added 11 points (three goals, eight assists) in 27 playoff games with the Barracuda.

In the NHL, he appeared in 88 games with the Sharks between 2009–2016, tallying six points (three goals, three assists) and 22 penalty minutes. In total, McCarthy played 640 combined regular-season games across the Sharks' NHL and AHL affiliates

.

Internationally, McCarthy represented Team USA at the 2018 Winter Olympics in Pyeongchang, appearing in five games. Collegiately, he spent four seasons at Boston University, serving as co-captain of the Terriers' 2009 NCAA Championship team.

KYLE HAGEL

Assistant Coach

Hagel enters his third season as an assistant coach with the San Jose Barracuda in 2024-25. He spent the previous five seasons as an assistant coach with the Seattle Thunderbirds of the WHL after a nine-year pro-playing career between the ECHL and AHL. Hagel, who played mostly left-wing as a player, spent four years at Princeton before beginning his pro career. During his nine seasons as a professional, he spent time with the AHL's Rockford IceHogs, Peoria Rivermen, Hamilton Bulldogs, Portland Pirates, and Charlotte Checkers, amassing 43 points (15 goals, 28 assists) and 1,001 penalty minutes in 373 games. In the ECHL, he skated in 80 games between the Fresno Falcons, Reading Royals and Las Vegas Wranglers, totaling 28 points (14 goals, 14 goals).

The native of Hamilton, Ontario, won the 2015 Yanick Dupre Memorial Award, which is given out annually to the AHL's man of the year for service to his local community.

Kyle resides in San Jose with his wife Jes and kids Liv and Macx.

SAN JOSE BARRACUDA BIOS

Primarily overseeing the defense, he helped the Silvertips become one of the most defensively sound teams in the Canadian Hockey League.

Prior to Everett, Mass coached four seasons at the University of Alaska-Anchorage and five seasons with the ECHL's Alaska Aces, where he won a Kelly Cup in 2006.

As a player, Mass was a defenseman who skated four years in the USHL with the Rochester Mustangs and Lincoln Stars, winning a Clark Cup with Lincoln in 1997. He then played four years at Bowling Green State University before a five-year professional career in the ECHL with Pensacola, Pee Dee, Louisiana, and Alaska. In 312 ECHL games, he recorded 51 points (nine goals, 42 assists), 452 penalty minutes, and a plus-17 rating.

ERIC PINSKY

Video Coach and Coordinator of Hockey Operations
Eric Pinsky, a San Jose native and former Jr. Shark, is entering his fourth season with the Barracuda after spending six years with the ECHL's Idaho Steelheads in various roles. Most recently, he served as the Steelheads' video coach and occasionally joined the bench during home games while completing his graduate studies at Boise State.

After his Jr. Sharks career, Pinsky played briefly in the NAHL with Aberdeen before skating four seasons of ACHA Division II hockey with Boise State.

Before his AHL tenure, he was Head Athletic Trainer for the ECHL's Allen Americans from 2014-17, where the Americans served as the Sharks' AA affiliate for his final two years.

A native of Houston, Texas, Garcia earned a Bachelor of Science from the University of Houston and a Master's in Athletic Training from Stephen F. Austin University. He works closely with Sharks Director of High Performance Mike Potenza, who was appointed to that role in June 2024.

Sr. Broadcast & Public Relations Manager

2025-26 marks Nick Nollenberger's 10th season as the Senior Broadcast & Public Relations Manager for the Sharks' top affiliate. During his tenure, he has called more than 600 AHL games. On November 11, 2023, in Anaheim, he made his NHL regular-season debut on the radio, filling in for longtime Sharks broadcaster Dan Rusanowsky, who was inducted into the Hockey Hall of Fame that weekend.

In addition to his duties with the Barracuda, Nollenberger serves as a television analyst for select Sharks broadcasts on NBC Sports California and was the rinkside reporter for the 2024 AHL All-Star Classic on NHL Network. He also handles play-by-play for all Barracuda telecasts on NBCSCA.

A San Jose Jr. Sharks alum, Nollenberger previously worked as Director of Broadcast and Media Relations for the Odessa Jackalopes (NAHL) and as Assistant Director of Broadcast and Media Relations for the Kannapolis Intimidators, the Class A affiliate of the Chicago White Sox.

2024-25 IN REVIEW

The 2024-25 season saw the Barracuda reach heights they had only experienced once before in their 10-year history. The club returned to the playoffs for the first time since 2021–when only the Pacific Division held a postseason due to COVID–and it marked their first appearance in the Calder Cup Playoffs since 2019. Their 2-0 opening-round sweep of the Ontario Reign was not only the team's first playoff series win since 2017, but also their first playoff sweep ever.

The Barracuda's 81 points and .563 winning percentage were the third-best in franchise history, and their best since 2018-19. The team's 21 home wins and .639 home winning percentage were also their best since 2019.

The success wasn't limited to the ice. The team set a franchise record with 10 sellouts at Tech CU Arena during the 2024-25 season.

Eighteen different players split time between the Sharks and Barracuda, including top prospects **Yaroslav Askarov** (G), **Collin Graf** (F), and **Luca Cagnoni** (D). The Barracuda used 45 players throughout the season, including five goalies, 14 defensemen, and 26 forwards.

Prospects **Quentin Musty** and **Igor Chernyshov** made their AHL debuts late in the season, each appearing in one Calder Cup Playoff game.

The Barracuda finished the regular season with the AHL's third-best offense, averaging 3.39 goals per game. Their 244 total goals were the most in a single season in team history. They also led the AHL in power-play percentage (24%), setting a franchise record with 69 power-play goals. **Danil Gushchin** led the league with 14 power-play goals, while **Andrew Poturalski** finished second with 13. Rookie **Luca Cagnoni** led the league in power-play points (34) and ranked second in power-play assists (23). The team also scored 10 shorthanded goals–their most since 2021-22 and the second-most in team history. From March 2 to March 26, the Barracuda scored power-play goals in a franchise-record 10 consecutive games and in 13 of 14 overall.

Fourteen different skaters reached double-digit goals–another franchise record–including Poturalski (30) and Gushchin (28), who now rank first and second for most goals in a single season by a Barracuda player.

Player Highlights

Hot Pot: In his first season with the Barracuda, veteran forward Andrew Poturalski put together the best statistical campaign in franchise history. He was named the AHL's 2024-25 Les Cunningham Award winner as league MVP. Poturalski became just the third player in AHL history to lead the league in scoring three separate times, joining Hall of Famers Bill Sweeney (1960-63) and Peter White (1994-98). He previously led the league in 2020-21 and 2021-22. This season, he recorded a league-best 73 points (30 goals, 43 assists) in just 59 games. He also appeared in three NHL games with the Sharks, recording one assist. His 30 goals and 72 points are both single-season franchise records. He missed the final nine regular season games and the entire playoffs due to a lower-body injury.

Do the Cagn Cagn: Twenty-year-old defenseman Luca Cagnoni finished just three points shy of the AHL's defenseman scoring title, tallying 52 points in 64 games. The rookie led all skaters in power-play points (34), ranked second in power-play assists (23), and tied for fourth in power-play goals (11). Among defensemen, he ranked third in both points and goals (16), and tied for fifth in assists (36). He was named to the AHL's All-Rookie Team and set franchise records for goals and power-play goals by a defenseman. Cagnoni also played six games with the Sharks, recording two assists.

Dan the Man: The 2024-25 season was a breakout year for third-year pro Danil Gushchin, who posted career highs in goals (28), power-play goals (14), shots (218), and shooting percentage. From March 7 to 28, he recorded points in nine straight games–the second-longest streak in team history–and scored in five straight games (March 16-26), tying John McCarthy's franchise record. Gushchin is now the Barracuda's all-time leader in points (150), goals (70), and assists (80). He missed the first round of the playoffs due to illness but made his Calder Cup debut on May 2, scoring an overtime winner against Colorado on May 4–the team's only second-round victory.

El Cap: In his first season under contract with the Sharks, Jimmy Schuldt wore the "C" for the first time in his six-year pro career and made an immediate impact. He played eight NHL games and led the Barracuda in plus-minus (+22), ranking top-10 league-wide. Schuldt was named the team's Most Inspirational Player.

White Balance: Despite missing the final playoff game due to injury, Colin White led the team in postseason points (6), assists (5), and plus-minus (+3). After signing a two-way deal in January, he played three NHL games. He set AHL career highs in games played (48) and goals (12), and took over the top-line center role late in the season.

Fil the Thrill: In his first North American season, Filip Bystedt (Sharks 2022 first-rounder) posted 31 points (12 goals, 19 assists) in 50 games. He co-led the team in playoff goals (3) and led in power-play tallies.

Sabs Sizzling: Veteran Scott Sabourin scored 10+ goals (10) for a third straight year and hit 25 points for the fourth time in his career. He appeared in his 500th AHL game on Jan. 31 and skated in one NHL game. Sabourin recorded 111 PIMs and dropped the gloves seven times.

2024-25 IN REVIEW

Full Deck: Second-year forward Ethan Cardwell set career highs in points (48), assists (37), and shots (195). He made his NHL debut on Oct. 31 and scored his first NHL goal five days later.

Bar Graf: Rookie Collin Graf split time between the Sharks and Barracuda, posting 11 points in 33 NHL games and 35 points (8G, 27A) in 40 AHL games. He added five points (2G, 3A) in six playoff games, including a series-clinching goal vs. Ontario.

Riled Regenda: After being acquired from Anaheim in January, Pavol Regenda recorded 25 points in 36 games with the Barracuda, including seven power-play goals. He co-led the team in playoff goals (3).

Yes Yaro: Top goalie prospect Yaroslav Askarov had a strong first year in Teal, going 11-9-2 with a 2.45 GAA, .923 SV%, and four shutouts. He went 3-2 in the playoffs with a 1.68 GAA and .935 SV%, including one shutout. Askarov played 13 NHL games and became the first Barracuda goalie to record shutouts in his first two starts.

Gabe Going: Rookie Gabe Carriere impressed in 22 games with the Barracuda and was signed to an NHL deal on Mar. 7–the same night he posted a 35-save shutout. He also went 14-9-2 in 22 ECHL games with Wichita, earning three shutouts and a .922 SV%.

Unsung Heroes: Depth forwards Lucas Vanroboys, Anthony Vincent, and Donovan Houle combined for 31 goals and 59 points, almost exclusively at even strength or shorthanded. Vincent earned the team's Hard Hat Award for the second straight season, setting career highs in nearly every statistical category.

Bords Boiling: Third-year pro Thomas Bordeleau set career highs in assists (24) and PIMs (39), and matched his career high in game-winning goals (4). He skated in one NHL game on April 13 but suffered an upper-body injury that kept him out of the playoffs.

FUTURE FISH

In 2024-25, the San Jose Sharks had 16 players on their roster that played in the AHL within San Jose's development system. Since the San Jose Sharks entered the National Hockey League in 1991, over 200 players split their seasons in the NHL and their top minor league affiliate. GENERAL INFORMATION

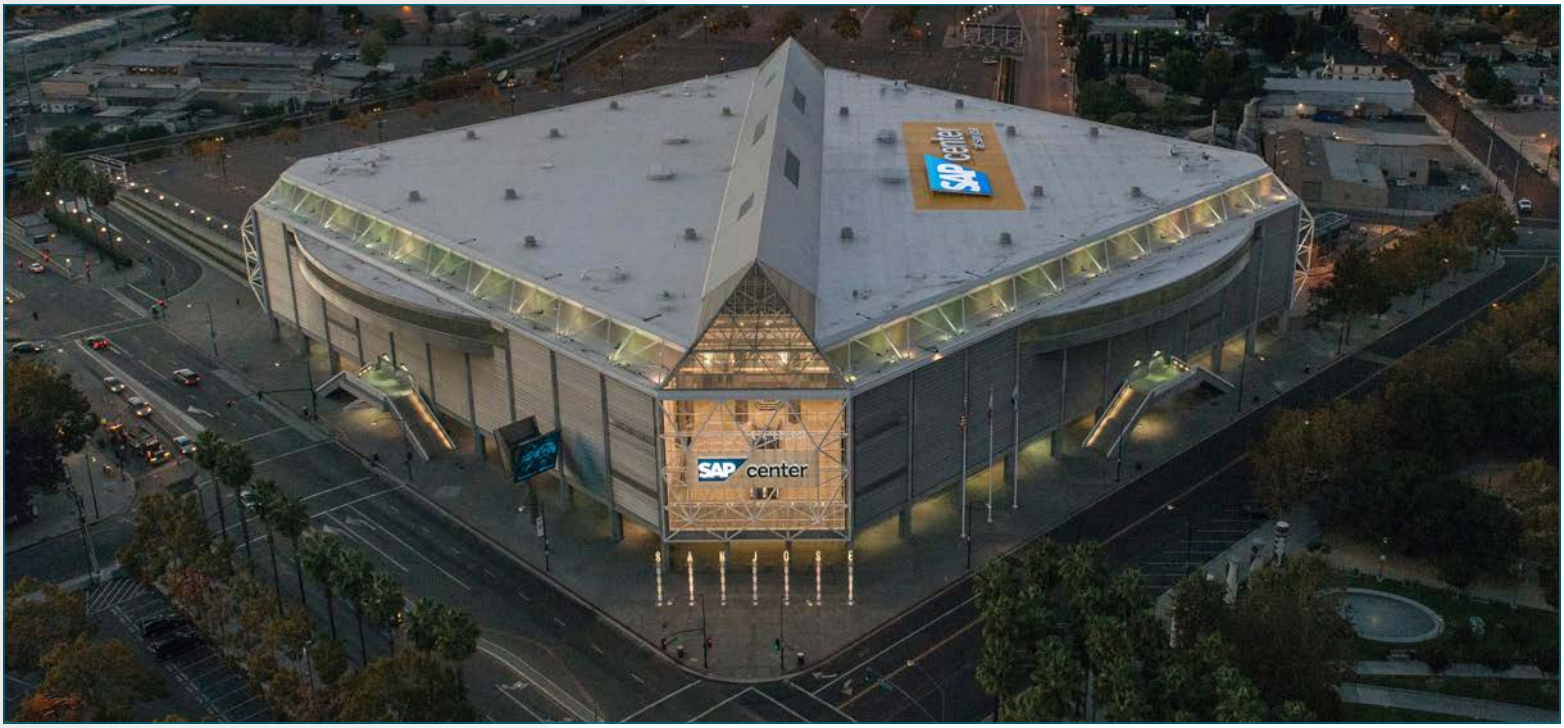
SAP CENTER AT SAN JOSE



NORTHERN CALIFORNIA'S TOP ENTERTAINMENT VENUE

SAP Center at San Jose continues to be the premier sports and entertainment venue in Silicon Valley and the crown jewel of a thriving and evolving downtown San Jose. With its distinguishing 10-story glass pyramid entry and unique stainless-steel façade, the facility has provided a distinct identity for the City of San Jose for almost 30 years. Located in the heart of Silicon Valley, SAP Center is an exemplification of the architectural excellence and technological innovation that defines the area.

Ahead of the 2023-24 season, the San Jose Sharks announced newest premium seating experience at SAP Center - the Penthouse Lounge. The Penthouse Lounge offers a dynamic seating experience for members that includes the premium amenities of a suite with the added bonus of a semi-private lounge. Ideal for friends, family, or clients, the Penthouse Lounge is sold to members as four to six-person theater boxes that will provide a perfect social experience for all. Featuring an all-inclusive food and beverage experience from a chef-inspired, rotating food menu that includes access to a diverse assortment of beer, wine, and spirits, members have access to a private bar and a versatile space created for communal dining or semi-private entertainment. Penthouse Lounge Ticket Holders will have access to a variety of events at SAP Center including all Sharks Game, and select access to concerts, family shows, and more. Construction of the newest addition was handled by Devcon.

SAP Center also replaced the center hung video board and halo displays that were installed in 2007 ahead of the 2022-23 season. The new Daktronics center-hung video board halo displays move from an 18.9 mm Pixel Pitch LED board to a 5.9 mm Daktronics Pixel Pitch board that has four times the pixels. The new board is approximately nine feet taller and 15 feet wider than the previous board but weighs the same and can demonstrate continuous content throughout the board which is unique. Additionally, the new center-hung board has under belly displays to enhance viewing for people sitting in the first several rows of the lower bowl including glass seats.

Home to the San Jose Sharks of the National Hockey League and Bay Area Panthers of the Indoor Football League, SAP Center at San Jose continues to be recognized as one of the biggest economic generators for the City of San Jose . In 2016, the Silicon Valley Business Journal estimated that one regular season Sharks game contributes more than $2M to the local economy. Over the last ten years, SAP Center's economic impact on the City of San Jose has been almost $4 Billion.

At a media event in May 2015, Sharks Majority Owner Hasso Plattner, City of San Jose Mayor Sam Liccardo, and former Sharks President John Tortora proudly announced an extension of the lease agreement between the Sharks and the City of San Jose, paving the way for the franchise to stay in San Jose for 25 years through 2040.

Pollstar Magazine consistently ranks SAP Center as a top venue in the United States and the world in terms of non-sports tickets sold.

SAP Center opened its doors on September 7, 1993 when the Ringling Brothers & Barnum and Bailey Circus performed the first event in the brand new, state-of-the-art facility. Since that time, the venue has hosted many of the biggest names in the entertainment industry including Harry Styles, Katy Perry, Paul McCartney, Adele, The Rolling Stones, Bruce Springsteen, Barbra Streisand, Bob Dylan, Beyonce, Elton John, Garth Brooks, Jay-Z, The Three Tenors (Placido Domingo, Luciano Pavarotti and Jose Carreras), Madonna, Lady Gaga, Prince, Los Tigres Del Norte, The Eagles and U2.

SAP Center has also hosted several world-class, championship sporting events, including: the 2016 Stanley Cup Final; the NHL's All-Star Weekend twice, in January 1997 and January 2019; two Olympic Trials for USA Gymnastics (2012 & 2016) and the U.S. Gymnastics Championships in 2023; four NCAA Men's Division I Basketball Western Regional Finals (1997, 2002, 2007, & 2017); 1999 NCAA Division I Women's Final Four; and four U.S. Figure Skating Championships (1996, 2012, 2018, and 2023).

TECH CU ARENA

HOME OF THE SAN JOSE BARRACUDA; LOCATED INSIDE OF SHARKS ICE SAN JOSE

Tech CU Arena is the crown jewel of a 200,000 square foot expansion of the Sharks Ice at San Jose public skating facility and the new home of the San Jose Barracuda.

The multi-level, multi-purpose arena, includes locker rooms, training facilities and executive office space for the Barracuda, an in-arena video board and LED display, 12 premium suites, eight loge boxes, one theatre suite, a 46-person party deck, three bar locations including one at ice level, seven food concession stations, a press room and press box and two team merchandise stores.

In January 2020, the San Jose City Council unanimously approved the 200,000 square-foot expansion of Sharks Ice at San Jose, adding two additional recreational ice sheets to the facility, increasing the building's total ice sheets to six and doubling the facility's footprint to just under 400,000 square feet. The expansion makes Sharks Ice at San Jose the largest ice facility in the United States and is LEED-certified Silver with a focus on green building initiatives including Bloom Energy cells, high efficiency LED lighting, electric Zamboni, and electric vehicle chargers.

Sharks Ice at San Jose is owned by the City of San Jose and has been managed and operated by Sharks Ice LLC, a subsidiary of Sharks Sports & Entertainment, since 1998. Since that time, the facility has seen two previous large-scale expansions. In 1999, a third ice sheet and a training facility for the San Jose Sharks was completed. In 2005, a fourth ice sheet and Stanley's Sports Bar was added.

In conjunction with Sharks Ice at San Jose, Sharks Ice LLC manages and operates two other ice facilities in the Bay Area: Sharks Ice at Fremont and the Oakland Ice Center, operated by Sharks Ice.

The Sharks Ice family of rinks serves a diverse variety of ice sports including ice hockey, figure skating, broomball, curling, speed skating, ice dancing and public skating. The Sharks Ice umbrella is home to the largest adult hockey league in the United States, boasting more than 4,300 participants.

In addition to serving as the official practice and training facility for the Sharks and the Barracuda, Sharks Ice at San Jose also hosts the San Jose State University Spartans hockey team, the Jr. Sharks hockey program, the Peninsula Figure Skating Club and the Silicon Valley Curling Club.

ACCESS:
The San Jose Sharks organization and Media Relations Department strive to make its players, coaches, management and other personnel available in a timely and responsible fashion to all accredited members of the media.

PRACTICE LOCATIONS:
Nearly all Sharks practices and morning skates will be held at Sharks Ice at San Jose, located at 1500 S. 10th Street (at the intersection of Alma). The Sharks skate on the facility's Sharks Rink, which is located at the far right side of the facility. The Sharks Rink has a media workroom accessible via the staircase at the top of the bleachers. All media are required to enter the media workroom through the entrance at the top of the bleachers. No one will be allowed entry through the Sharks offices. In addition, ALL media members wishing to cover the Sharks practices must either display a Sharks full season credential, or check in with the Sharks Media Relations Department upon arrival to receive a day pass. No media member without a pass will be granted access to the Sharks dressing rooms without displaying proper accreditation.

Enhanced security measures at the Sharks Rink of Sharks Ice at San Jose will include guests being subject to search that will include the use of electronic devices and metal detectors, pat-downs and inspection of all bags. Individuals attending upcoming Sharks practices, including working staff and media, should be aware of the following policies:

*All guests attending Sharks practices must enter through the connector at the front of the building by the Sharks Rink.
*All guests are subject to metal detector screening, electronic wand screening and pat-down searches.
*All bags are subject to search.

These enhanced security measures are mandated by the National Hockey League and are in accordance with procedures already in place at NHL venues throughout the United States and Canada.

Visiting teams may skate at Sharks Ice at San Jose or at SAP Center, depending on the availability of SAP Center. Visiting team typically practice on the North or East rink when skating at Sharks Ice.

The schedule posted on the Sharks Ice website is subject to change. Please email a representative of the media relations department to have up to the date information regarding the time and location of any Sharks practices or morning skates.

INTERNET ACCESS:
Our press box and press room have complimentary wireless and hardwired Ethernet high-speed Internet ports (for hardwire access, use Ethernet chords in press box, orange-colored ports in the press room). For wireless access, simply choose the SAP_Center_Media network and apply the password. Upon entering the credentials, you may need to open an internet browser to accept the terms and conditions, prior to being connected.

If you have any problems gaining access to the network, please contact a member of the Media Relations Staff.

MEDIA ENTRANCE:
The media entrance to SAP Center is through the 24-hour Security Entrance, located at the rear of SAP Center (on the corner of St. John Street and Montgomery Street), next to but not in the gated loading ramp.

As a reminder, the SAP Center Bag Policy will apply to all patrons for all Sharks home games. The policy requires that all bags entering SAP Center be no larger than 5" x 9" x 2". All bags and individuals entering the building are still subject to be screened and searched by building security personnel. All other venue security measures remain in place including the use of metal detectors at building entrances. Additional information about the bag policy, security policies, and prohibited items can be found at **https://www.sapcenter.com/plan-your-visit/bagpolicy**.

Please note, media attending the game WILL be allowed to carry their working laptop/recorder/all necessary items for their position in a larger bag for work purposes only

Credentials will be delivered to the visiting team's media relations representative upon their arrival at SAP Center or can be picked up directly by requesting from one of the Sharks media relations staffers.

Media credentials will be placed at the media entrance (24-hour Security Entrance) shortly after delivery of visiting team credentials. Please contact Brandon Weiss (bweiss@sjsharks.com) or Sergio Almodovar (salmodovar@sjsharks.com) should credential requests change or special arrangements need to be made. Please be prepared for and cooperate with the thorough inspection of all bags, cases and packages.

Anyone requesting parking privileges should contact Brandon Weiss (bweiss@sjsharks.com). Media parking is located in the Delmas East lot along Delmas Ave. When credentialed media arrive, please give your name to the lot attendant.

MEDIA REGULATIONS

MORNING SKATE MEDIA ACCESS:
The Sharks, on most mornings, will go on the ice between 10 and 10:30 a.m. If there are specific players you need to speak with, we ask that you arrive NO LATER than 10:00 a.m. so that we can ensure they are available in the event the team has an optional skate. If you arrive after 10:00 a.m., we cannot guarantee that all players will still be in attendance if the schedule happens to adjust at the last minute.

The Sharks dressing room will open shortly after the first player leaves the ice from the morning skate. Typically, Sharks Head Coach Ryan Warsofsky will address the media following all player access. In the event of an optional skate, Warsofsky may speak BEFORE the Sharks morning skate.

PRE-GAME/IN-GAME TELEVISION INTERVIEW REQUESTS:
All requests for a Sharks pre-tape or intermission interview, must be made before the conclusion of the Sharks morning skate so that we can ensure the availability of your guest. Your requests can be made in person at Sharks Ice or through Kyle Stuetzel at kstuetzel@sjsharks.com. We encourage all requests to be made prior to morning skate in the event of an optional skate.

PREGAME MEDIA ACCESS:
Sharks players and coaches may be made available to credentialed members of the media two-and-a-half hours before game time, at SAP Center if the team does not hold a morning skate or becomes optional. In the event the team does not hold a morning skate, please email a media relations representative as early as possible for any requests ahead of the game. Players may be made available earlier than the two-and-a-half hours prior.

POST-GAME MEDIA ACCESS:
The Sharks dressing room, in accordance with NHL policies, will open following the conclusion of the game. To reach the Sharks dressing room from the press box, proceed down the North elevator to the 1st floor. Upon exiting, walk down the hallway and turn right down the main corridor until you reach the main entrance to the Sharks dressing room (large wooden door).

To access the visitor's dressing room, proceed down the North elevator to the 1st floor. Upon exiting, walk down the hallway and turn left. An SAP Center staff member will provide direction to on how to reach the visitor's dressing room entrance.

CELLPHONE POLICY:
Per NHL policy, there is absolutely no use of a cellphone to record video, place a call or take photographs inside the Sharks locker room. A cellphone used as an audio recording device is allowed. If a member of the media violates this policy, you will be asked to leave the locker room immediately and access to credentials moving forward during the season will be reviewed. If you have any questions, please contact one of the Sharks media relations staff members.

OFFICIALS ROOM:
The officials' locker room is off-limits to the media. Should a comment or interpretation from the game's referee or NHL supervisor be needed, contact a member of the Sharks Media Relations Department and a pool reporter may be assigned.

PHOTOGRAPHERS:
Only those photographers on assignment from a recognized, approved media outlet will be allowed access to designated photography locations at rink level and in overhead positions. Priority will be given to local affiliates, wire service photographers and local TV crews and at least one ice-level photography position will be reserved for Sharks team photographers. Additional photography positions are determined on a priority basis as determined by the Sharks Media Relations staff and the team photographer. In cases of increased photographer (i.e. playoffs) attendance, positions will be assigned by the Sharks Media Relations Department. In all cases, photographers should check in with a media relations representative in the press room before game time. Because of very limited photography locations and NHL Images regulations, it is not possible to accommodate freelance photographers.

PRE-GAME MEAL:
For a $10 fee, a media meal will be served in the Press Room beginning two and a half hours prior to game time. Cash or card is accepted. The Press Room is located on the North side of SAP Center on Level 1, near the hallway to the visitor's dressing room. Dining room usage is limited to those presenting valid Sharks, NHL Team Management passes, or media/photographer credentials. It is impossible to accommodate family members, friends, guests or others. Any abuse of dining room privileges may cause forfeiture of a media pass. Limited refreshments are also available during intermissions as well as in the press box during games.

PRESS BOX/BROADCAST LOCATIONS:
The press box and broadcast locations at SAP Center can be accessed by taking the North elevator (just outside the Press Room). Take the elevator to the 4th floor. Upon exiting, make an immediate left u-turn through the white double doors. Open the single door on the right and proceed up two short flights of stairs, where you will enter the press box. Media seating charts will be posted in the press box.

TV VIEWING/GAME REPLAYS:
A high-definition television should be viewable from any seat in the press box. HD TV's are also available to monitor the game in the Press Room should media choose to work there in the 3rd period. Anyone wishing to view a replay of an event during the game should visit the Sharks Media Relations Staff at center ice in the press box.

POST-GAME INFORMATION:
Following the game, final copies of the "Game Summary" and "Event Summary" will be made available on the Sharks digital press box web portal. We will also send you via e-mail our Postgame Recap document recapping key details/notes from the game, along with links to recordings from home and visiting team players and coaches. Requests to be added to this email list can be made in person at SAP Center or through Brandon Weiss (bweiss@sjsharks.com) or Sergio Almodovar (salmodovar@sjsharks.com).
